CULTURE SHOCK

by Dr. Milton Redeker

Unbelievers can't adjust to the culture shock of today. The decadence is defeating. People think they want a permissive culture where everything goes. But it comes at a cost, and multitudes are struggling to cope with the turbulence caused

by their own moral choices. Everywhere we turn, people are facing culture shock.

How can we cope with all this? How can we turn the tables? As never before people need culture shock treatment – an answer to the confusion, chaos, despair, pain and loss of a society facing septic shock. They need to see JESUS!

1. **CONFUSION:** an opportunity to meet the God of TRUTH. The reason we are in a mess is that we've rejected the truth – and that leads to confusion.
2. **CHAOS:** an opportunity to meet the God of PEACE. Paul told the Romans, "The God of peace will crush Satan under your feet." He told the Philippians, "The God of peace will be with you." He told the Thessalonians, "Now may the God of peace Himself sanctify you completely."
3. **DESPAIR:** an opportunity to meet the God of Hope. Our world is also shocked with a sense of despair. Our world worships many gods – the god of money, the god of sex, the god of fame, the god of power, the god of pleasure. But none of them can be called the "God of hope." Only our God deserves that name.
4. **PAIN:** an opportunity to meet the God of comfort. We comfort others with the comfort we receive as we see Jesus – 2 Corinthians 1:4
5. **LOSS:** an opportunity to meet the God of Heaven. We've lost a lot in our day. We've lost our moral bearings and our societal roots in biblical truth, and those losses make other losses intolerable. When someone without God loses a loved one, they've lost that loved one forever.

Find time each day for quiet reflection. Find ways of engaging others. Look for those who are confused, chaotic, hurting, facing despair, and mourning loss. Look for places to volunteer. Share your faith. Distribute scriptures. Show up at evangelistic rallies. Invite others to Gospel meetings.

DON'T BE AFRAID TO ASK OTHERS HOW YOU CAN PRAY FOR THEM.

RESET

by Dr. Milton Redeker

Reset begins with the power of Gods' word – something the people of Nehemiah's day had lived without due to their captivity in Babylon, but something too many people today live without due to neglect and loss of respect for the Authority of Scripture.

From that firm foundation, Reset or Revival addresses essential commitments and attitudes from repentance to giving, from living with convictions to service, from experiencing true worship to obedience.

Are you ready for a spiritual Reset (Revival)? Just as it was needed and experienced in Nehemiah's day – so it is today.

Begin praying now for our Senior Adult Revival with Dr. John Bisagno and Lisa Pierre, September 18-20.

Happy Birthday to YOU!
